If your application is approved, we will send you a complimentary gift card* for you to choose your own products from our site. We do ask that you purchase at least 1 Bible with this gift card (if you do not have one already)!

**No gift card will be given if you are selected for a New Collection Launch as a new collection product will be selected and sent to you*

SOCIAL SHARING GUIDELINES

We want to partner with affiliates who truly love the Lord, and see the value in our brand. We hope that those two things will lead to authentic and consistent posts on your social media.

COMMISSION

Once your application is accepted, you will create an account with Shopify so that you can receive your commission payments. You will receive a link and code through Shopify to share with your community as you show our tools. This link/code will track each customer who purchases from our website through your link/code and 10% commission will be accrued off of each order placed through your link. Once your commission payout reaches \$50 dollars, you will be paid out the 1st week of the month.

There are opportunities to raise the commission percentage you receive if you are able to reach specific thresholds for the number of orders that came through your link/code!

REQUIRED POSTING

The instances below are the only required posts within our Affiliate Program. From that point on, there is no minimum or monthly requirement for posting. As an affiliate partner, we hope that including our products in your life and posting will be natural so that your love for our products will show!

We do ask that you do at least ONE post on your primary social media platform with your initial package where you share about our brand, our mission, and why you love it! After receiving your initial package, we will follow up within two weeks if the initial post has yet to be made.

Ways to post about your initial package:

- Instagram (ex. Reel, story set, or feed post)

OR

- One TikTok video

For each launch you agree to participate in, you are required to post one of the following:

- Instagram: A feed post or reel
- TikTok: A video
- Youtube: Mention Hosanna Revival for at least 45 seconds

**If you do not want to keep the items that you received from this new collection launch, you must wait until AFTER the launch to give away any of the items you received.*

***If you do not post these required posts we have the right to NOT pay out your commission payment.*
